

D4Science Infrastructure - Task #10008

Ensure that the OCSP stapling script for haproxy runs after every certificate update

Oct 23, 2017 12:48 PM - Andrea Dell'Amico

Status:	Closed	Start date:	Oct 23, 2017
Priority:	Urgent	Due date:	
Assignee:	Andrea Dell'Amico	% Done:	100%
Category:	System Application	Estimated time:	0.00 hour
Target version:	UnSprintable		
Infrastructure:	Development, Pre-Production, Production		
Description			
Now it runs daily, but it means that it could be executed either just before or just after a certificate update or renewal.
