D4Science Infrastructure - Task #10606

Disable nagios check on old services

Dec 07, 2017 11:46 AM - Roberto Cirillo

Status:	Closed	**Start date:**	Dec 07, 2017
Priority:	Low	**Due date:**	
Assignee:	_InfraScience Systems Engineer	**% Done:**	100%
Category:	System Application	**Estimated time:**	0.00 hour
Target version:	Nagios monitoring		
Infrastructure:	Production		

Description

In order to dismiss the message-broker and the services related to it, I've stopped the container running on the following hosts:

```
node29.p.d4science.research-infrastructures.eu
node36.p.d4science.research-infrastructures.eu
node43.p.d4science.research-infrastructures.eu
node41.d4science.org
```

Is it possible to disable the nagios check on the hosts above?
