

D4Science Infrastructure - Incident #11460

News Feed search function returns result up to mid February 2018

Mar 15, 2018 05:58 PM - Massimiliano Assante

Status:	Closed	Start date:	Mar 15, 2018
Priority:	Urgent	Due date:	Mar 15, 2018
Assignee:	Roberto Cirillo	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	UnSprintable		
Infrastructure:	Production		
Description It seems that News Feed search function returns result up to mid February 2018, after that no results are returned. It could be related to the fact that after upgrading to gCube 4.10 the Smart Executor social-data-indexer-se-plugin (which is the one triggering the indexing of social networking data) was not restarted correctly. Can you check?

- % Done changed from 0 to 100

There was an error on ansible playbook that prevented such upgrade. Now I've fixed the issue and that plugin is correctly upgraded.
