Where should these sub-groups be created?

Under:

1. the group "GRSF Assessment Unit" reachable at
   https://bluebridge.d4science.org/group/grsf_admin/data-catalogue?path=group/grsf-assessment-unit
2. the group "GRSF Stock" reachable at https://bluebridge.d4science.org/group/grsf_admin/data-catalogue?path=group/grsf-stock
3. ?

Moreover, are the existing/remaining groups still valid?

#3 - May 18, 2018 04:15 PM - Aureliano Gentile

All these are sub-groups of assessment unit https://bluebridge.d4science.org/group/grsf_admin/data-catalogue?path=group/grsf-assessment-unit

The other groups currently available are all valid.

@aureliano.gentile@fao.org I just added the new sub-groups of assessment unit as listed above: https://support.d4science.org/issues/11806#note-1

They are available at: https://bluebridge.d4science.org/group/grsf_admin/data-catalogue?path=group

Please, you close the current ticket if they sound for you.

I checked the sub-groups, also through the "Group Hierarchy" view and looks fine, but at the moment they are all empty so I cannot comment on the content such groups would retrieve.
