History

#1 - Jul 06, 2018 06:39 PM - Luca Frosini

parthenos@d4science.org exists as mailbox because it was requested by @massimiliano.assante@isti.cnr.it

@massimiliano.assante@isti.cnr.it do you need such a mail as mailbox? Can we switch it as mailing list (behaving as alias) adding you (and everyone is needed) in the list of receivers?

@tommaso.piccioli@isti.cnr.it if we can change the mailbox to mailing list for any reasons please create the mailing list (behaving as alias) parthenos.aggregator@d4science.org instead

#2 - Jul 06, 2018 06:55 PM - Massimiliano Assante

The email is taken and used from the PARTHENOS gateway (as sender and as mailbox where to get replies and likes from users). Get another address you cannot use this.

#3 - Jul 06, 2018 06:56 PM - Massimiliano Assante

- Status changed from New to Rejected

#4 - Jul 06, 2018 07:14 PM - Alessia Bardi

- Subject changed from Please Create parthenos@d4science.org alias email address to Please Create parthenos.aggregator@d4science.org alias email address

Then let's go for parthenos.aggregator@d4science.org as Luca already suggested. How can a ticket be "unrejected"?

#5 - Jul 06, 2018 07:18 PM - Andrea Dell'Amico

- Status changed from Rejected to In Progress

#6 - Jul 06, 2018 07:30 PM - Tommaso Piccioli

- Status changed from In Progress to Closed

Created as open mailing list
