

D4Science Infrastructure - Support #1290

couchDB: disable https

Nov 03, 2015 06:09 PM - Roberto Cirillo

Status:	Closed	Start date:	Nov 03, 2015
Priority:	Normal	Due date:	
Assignee:	Andrea Dell'Amico	% Done:	100%
Category:	System Application	Estimated time:	0.00 hour
Infrastructure:	Production		
Description			
We have encountered some problems with connection from gCore container to couchDB via https. For this release the https on couchDB should be disabled.			

History

#1 - Nov 03, 2015 06:23 PM - Andrea Dell'Amico

- Status changed from New to In Progress

I'm reconfiguring now to disable the redirection from http to https.

#2 - Nov 03, 2015 06:33 PM - Andrea Dell'Amico

- Status changed from In Progress to Feedback

I just verified that https is not forced both in dev and in production. So it's still possible to use plain http to connect to accounting[-d]-d4s.d4science.org.

@lucio.lelii@isti.cnr.it , @luca.frosini@isti.cnr.it could you give us a feedback about this?

#4 - Nov 04, 2015 01:36 PM - Luca Frosini

NO problem. We just have to change the url from Service Endpoints. I'm going to do it immediately for SmartExecutor and Accounting ServiceEndpoint. @lucio.lelii@isti.cnr.it can you do it for authorization?
