Description

I would like to have a mailing list for supporting the activity of the Quality Assurance Office (few people and few activity to justify a VRE).

The email address might be something like:

- qao@bluebridge-vres.eu
- qao.bluebridge@d4science.org

History

#1 - Nov 30, 2015 12:49 PM - Leonardo Candela

I'll suggest to go for the second (i.e. qao.bluebridge@d4science.org) since we manage this "domain" and we have already created all.bluebridge@d4science.org

#2 - Nov 30, 2015 02:37 PM - Tommaso Piccioli

Closed mailing list?
You suggest? I have to wait for a decision on the name and domain?

#3 - Nov 30, 2015 03:02 PM - Leonardo Candela

For homogeneity and easiness I suggest to go for qao.bluebridge@d4science.org

The mailing list should be open, meaning that everyone should be able to send messages to this list.

I would like to be the admin of such a list.
