History

#1 - Mar 29, 2019 11:08 AM - Yannis Marketakis

- Status changed from New to In Progress
- % Done changed from 0 to 80

The corresponding information has been corrected (manually) in the GRSF KB. More specifically the following records have been affected:

- http://data.d4science.org/ctlq/GRSF_Admin/40f5d27d-e0fa-387a-a65a-ec92c9935c20 (GRSF record)
- http://data.d4science.org/ctlq/GRSF_Admin/28365019-ec1a-36eb-8b97-d2e3f829f4d9 (RAM legacy record)

Since the misspelt word appears also in the title, I'll wait for the corresponding fix in the publishing service ([#16395](#)) and then I'll republish them.
