Description			
In a discussion with Franco Maria Nardini I realised that there are a couple of issues with his data.			
The following publication (2018) is lacking the ISTI reference (in Strutture CNR), thus @silvia.giannini@isti.cnr.it was not informed about it and didn't managed it			
https://intranet.cnr.it/servizi/people/prodotto/scheda/i/401221			
In ISTI Open Portal we do have two "profiles" that should be unified:			
<ul style="list-style-type: none">• Franco Nardini• Franco Maria Nardini			

History

#1 - May 13, 2019 05:28 PM - Leonardo Candela

- Status changed from New to In Progress
- Assignee changed from silvia giannini to Leonardo Candela
- % Done changed from 0 to 40

@anna.molino@isti.cnr.it fixed the metadata of the product 401221 and managed it (i.e. handled the payload too).

I'll check what happens with the harvesting tomorrow and will liaise with Michele to reconcile the two profiles.

#2 - May 16, 2019 03:40 PM - Leonardo Candela

- Status changed from In Progress to Closed
- % Done changed from 40 to 100

All the profiles of Nardini have been unified under the same entry.
