Mar 19, 2020 03:17 PM - Aureliano Gentile

Status:	Closed	Start date:	Mar 19, 2020
Priority:	Normal	Due date:	
Assignee:	Massimiliano Assante	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	GRSF		
Description			
A new tab "Definitions" should be added as part of the public catalog https://i-marine.d4science.org/web/grsf/data-catalogue			
The content should be taken from here (GRSF Wiki) https://support.d4science.org/projects/stocksandfisherieskb/wiki/GRSF_definitions			
CNR colleagues to advice the best way for implementation, if possible it would be good and important to have it as an editable page which we can update anytime.
