| I just realised the page<br><a href="https://openportal.isti.cnr.it/support/about">https://openportal.isti.cnr.it/support/about</a><br>contains several broken links (resulting from the new ISTI website). All the links in the working group area are broken, e.g.<br>this link <a href="https://www.isti.cnr.it/about/people.php?id=58">https://www.isti.cnr.it/about/people.php?id=58</a><br>should be <a href="https://www.isti.cnr.it/en/about/people-detail/66/Leonardo_Candela">https://www.isti.cnr.it/en/about/people-detail/66/Leonardo_Candela</a> |                |                        |              |
