<b>Description</b>			
Dear Francesco,			
I edited the intro text of the GRSF VRE at <a href="https://i-marine.d4science.org/group/grsf">https://i-marine.d4science.org/group/grsf</a> (please find the new text below), but then I am not sure how to reflect the same content in these other pages: <a href="https://i-marine.d4science.org/web/grsf/data-catalogue">https://i-marine.d4science.org/web/grsf/data-catalogue</a> <a href="https://i-marine.d4science.org/group/grsf/data-catalogue">https://i-marine.d4science.org/group/grsf/data-catalogue</a>			
Would it be possible to assist?			
Thanks Aureliano			
<b>TEXT:</b>			
Welcome to the GRSF Catalogue (beta)!			
The GRSF, the Global Record of Stocks and Fisheries, integrates data from three authoritative sources: FIRMS (Fisheries and Resources Monitoring System), RAM (RAM Legacy Stock Assessment Database) and FishSource (Program of the Sustainable Fisheries Partnership)			
The GRSF content publicly disseminated through this catalogue is distributed as a beta version to test the logic to generate unique identifiers for stocks and fisheries. The access to and review of collated stock and fishery data is restricted to selected users. This beta release can contain errors and we welcome feedback on content and software performance, as well as the overall usability.			
Beta users are advised that information on this site is provided on an "as is" and "as available" basis. The accuracy, completeness or authenticity of the information on the GRSF catalogue is not guaranteed. It is reserved the right to alter, limit or discontinue any part of this service at its discretion. Under no circumstances shall the GRSF be liable for any loss, damage, liability or expense suffered that is claimed to result from the use of information posted on this site, including without limitation, any fault, error, omission, interruption or delay.			
The GRSF is an active database, updates and additions will continue after the beta release. For further information, or for using the GRSF unique identifiers as a beta tester please contact <a href="mailto:FIRMS-Secretariat@fao.org">FIRMS-Secretariat@fao.org</a> .

Thanks Francesco, the update is fine.

Please note that on top of the banner there is this text in black:

The GRSF is an active database, updates and additions will continue after the beta release. For further information, or for using the GRSF unique identifiers as a beta tester please contact [FIRMS-Secretariat@fao.org](mailto:FIRMS-Secretariat@fao.org)." />

That description is not part of the Catalogue but is part of the Gateway. Please [@massimiliano.assante@isti.cnr.it](mailto:@massimiliano.assante@isti.cnr.it) remove it.
