I think @francesco.mangiacrapa@isti.cnr.it could resolve this issue.

#2 - May 17, 2022 05:09 PM - Francesco Mangiacrapa

- Assignee changed from Luca Frosini to Francesco Mangiacrapa

#3 - May 17, 2022 06:07 PM - Francesco Mangiacrapa

- Status changed from New to In Progress

#4 - May 17, 2022 06:11 PM - Francesco Mangiacrapa

- Tracker changed from Bug to Task

The old keyword was **Status of the GRSF Record** that has been renamed to **Status of the Record** (the new one).
The faceted search ("Filter by Status") uses the old keyword and not the new one... I'm going to update this configuration.

Thank you, I checked and seems working fine. I think the ticket can be closed. If we will have issues on overall figures then it might be due to other aspects, but so far it seems all good. Thanks again Luca and Francesco.
