Description			
Dear Yannis,			
As a follow up to the (closed) ticket #24455 , please could we ask for the following actions listed in the attached file (column D) for these ICES stocks?			
Following your findings in ticket #24455 , we have also identified the former missing UUIDs and mapped them with the current ones. Only 2 of them are included in the attached file, and for the others no action is needed.

Dear Yannis,

My apologies, for the records in rows 12 and 13 (FIRMS ID 10409, 10408) in the file "GRSF_ICES_Actions_14Feb23.xlsx", please can we ask for these two records to be "Reharvested and ARCHIVED" as changes have been made in FIRMS.

Many thanks,
Bracken

The statuses of the records have been updated and the records have been re-published in the VRE catalogues accordingly.
As regards re-harvesting, this is something to be carried out (I guess in the next weeks) for the entire FIRMS database.
