- Assignee changed from Luca Frosini to Aureliano Gentile

#2 - Feb 16, 2023 12:37 PM - Luca Frosini

GRSF Publisher should be enhanced to support a new type of records. Currently we support the types: stock and fishery.
The new type will be Traceability Unit .

Records of type Traceability Unit, will exist only under GRSF organization, and the fields that should be visible in the catalogue are described in https://support.d4science.org/projects/stocksandfisherieskb/wiki/GRSF_Model-Traceability_Unit
