

D4Science Infrastructure - Task #315

Support # 306 (Closed): Install additional R packages on the Worker nodes to support IRD - IFREMER computations

Expand the R ansible role to let it install R plugins from sources

Jun 26, 2015 01:40 PM - Andrea Dell'Amico

Status:	Closed	Start date:	Jun 26, 2015
Priority:	Normal	Due date:	
Assignee:	Andrea Dell'Amico	% Done:	100%
Category:	System Application	Estimated time:	0.00 hour
Target version:	UnSprintable		
Infrastructure:	Production		
Description Some R plugins need to be installed from source. Add this step to the library R role.			

History

#1 - Jun 26, 2015 01:41 PM - Andrea Dell'Amico

- Status changed from New to In Progress

The source files are downloaded inside /var/cache/R and installed from there.

#2 - Jun 26, 2015 01:41 PM - Andrea Dell'Amico

- Status changed from In Progress to Closed
