#### History

##### #1 - Oct 20, 2016 10:25 AM - Alessandro Pieve

- Priority changed from High to Urgent

##### #2 - Dec 14, 2016 06:49 PM - Andrea Dell'Amico

I added some playbook tasks to install a backup script (on couchbase06 only for now). The server part needs to be changed to use that script.

##### #3 - Dec 15, 2016 03:58 PM - Pasquale Pagano

- Status changed from New to In Progress

##### #4 - Apr 11, 2017 07:39 PM - Andrea Dell'Amico

- Status changed from In Progress to Closed

- % Done changed from 0 to 100

Thanks to @tommaso.piccioli@isti.cnr.it the backup is in place since some months.
