

## D4Science Infrastructure - Support #645

### GenericWorkers not working in DEV environment

Sep 11, 2015 07:04 PM - Gianpaolo Coro

<b>Status:</b>	Closed	<b>Start date:</b>	Sep 11, 2015
<b>Priority:</b>	Urgent	<b>Due date:</b>	
<b>Assignee:</b>	Roberto Cirillo	<b>% Done:</b>	100%
<b>Category:</b>	High-Throughput-Computing	<b>Estimated time:</b>	0.00 hour
<b>Infrastructure:</b>	Development		
<b>Description</b>			
The GenericWorkers with SmartExecutor running on the following machines are not working:			
node6.d4science.org 9000			
node17.d4science.org 9000			
node19.d4science.org 9000			
node22.d.d4science.org 9000			
The GHNs are down. I have restarted node17 but I cannot assign it to a VRE (the infra monitor return failure) and when I run a computation I do not see the GenericWorker plugin working.			
Have these machines been altered in some way?			
In order to finish tests on new services these should be restored, please.			

#### History

- % Done changed from 0 to 100

This issues depends on ticket #278 and on huge message spam produced by the old accounting system.
