Target version:	Moving some VRE of gCubeApps under D4Research VO		
Infrastructure:	Production		
Description			
There are some VRE of gCubeApps not using services other than Social and Workspace that could be moved under D4Research VO so that gCubeApps can increase a little in performance.			
The list of VRE that can be un-deployed easily from gCubeApps and deployed on D4Research is the following:			
<ul style="list-style-type: none">• gCubeApps/BOBLME_HilsaAWG (Just 1 File in VRE Folder)• gCubeApps/ENVRI (DOES NOT HAVE files in Workspace VRE Folder)• gCubeApps/EuBrazilOpenBio (DOES NOT HAVE files in Workspace VRE Folder)• gCubeApps/OpenIt (DOES NOT HAVE files in Workspace VRE Folder)• gCubeApps/PGFA-UFMT (HAS files in VRE Folder)
