

D4Science Infrastructure - Task #6453

tasks order

Status:	Closed	Start date:	Jan 18, 2017
Priority:	Normal	Due date:	
Assignee:	Luca Frosini	% Done:	100%
Category:	System Application	Estimated time:	0.00 hour
Target version:	UnSprintable		
Infrastructure:	Production		
Description It seems that the tasks order in the gantt is not completely correct. There are some tasks: 1.1 placed below 1.2; 2.1 placed below 2.2 which in turn is below 2.3; 2.4 is below 2.5. I thought it was related to the due date, but after a test (changing the due date of the MS8 at the end of the project) the order didn't change. Any hints?
