UsersManagement Portlet, scroll bar vertical not working anymore

Mar 21, 2017 03:16 PM - Massimiliano Assante

Status:	Closed		**Start date:**	Mar 21, 2017
Priority:	Urgent		**Due date:**	Mar 23, 2017
Assignee:	Panagiota Koltsida		**% Done:**	100%
Category:	Other		**Estimated time:**	1.00 hour
Target version:	D4Science Infrastructure Upgrade to gCube 4.3.0			
Infrastructure:	Pre-Production, Production			

Description

In any VRE having more than 10 user, when I select the entries to show (say 25 or 50) the users are correctly fetched but then i cannot scroll down to see them.

e.g.
 https://i-marine.d4science.org/group/bluecommons/manage-user-and-requests

I could reproduce the issue on preproduction too, and it was not spotted. Please add a new step to verify the feature to the testing plan of the portlet.

The problem has been fixed and is committed on trunk
A css has only be updated.

#4 - Mar 22, 2017 10:19 AM - Massimiliano Assante

can you attach the css to replace here so that we'll fix this in production today?

#5 - Mar 22, 2017 10:22 AM - Panagiota Koltsida

- File modal.css added

Please find it attached.

I think the issue is resolved in production now (although the fix should be released properly), @e.trumpy@igg.cnr.it can you perform a test and let us know if you still experience the issue? An hard refresh of the browser (Shift + F5) could be needed to load the new css file contacting the fix.

#7 - Mar 22, 2017 10:46 AM - Panagiota Koltsida

Should we create the release ticket now or should we wait for the upcoming release?

#8 - Mar 22, 2017 10:57 AM - Maria Di Girolamo

I think it's better create the release ticket now.

#9 - Mar 22, 2017 11:07 AM - Maria Di Girolamo

- Copied to Task #7630: Share Updates , missing character as double < and > in production added

#10 - Mar 22, 2017 11:10 AM - Maria Di Girolamo

- Copied to deleted (Task #7630: Share Updates , missing character as double < and > in production)
