

D4Science Infrastructure - Task #8893

Please Install Java 8 Oracle on datasciencepro instances to

Jun 09, 2017 02:59 PM - Massimiliano Assante

Status:	Closed	Start date:	Jun 09, 2017
Priority:	Normal	Due date:	
Assignee:	Boro Jakimovski	% Done:	100%
Category:	Other	Estimated time:	0.00 hour
Target version:	EDISON Migration outside CNR		
Infrastructure:	Development, Pre-Production		
Description Dear Boro, sorry to inform you we migrated to Java 8 Oracle just yesterday (on production). So any datasciencepro instance (whether dev or not) must have Java 8 Oracle installed. Without this I can't continue. It was correct having Java7 on these instances, because we ran Java7 until yesterday but starting from yesterday all the D4Science is running on Java8.
