D4Science Infrastructure - Support #8901

Incident # 8900 (Closed): Not possible to open a Folder in BlueBridgeProject VRE Folder because of the white space at the end

Run a script removing white spaces at the end of folder names (if any)

Jun 10, 2017 10:45 AM - Massimiliano Assante

Status:	Closed		**Start date:**	Jun 10, 2017
Priority:	Urgent		**Due date:**	Jun 16, 2017

Description

We had 2 incidents for the same reason in two days. The last one is related to a folder (name) 1 year old ,and from the history (of WP5 Blue Assessment) it looks like although the folder had a white space at the end it was accessible prior to gCube 4.4. (22nd of May 2017 it was accessed if i'm not wrong)
