

D4Science Infrastructure - Incident #9930

Emails sent from UsersManagement portlet not formatted correctly in case of users to group adding/removal

Oct 11, 2017 03:22 PM - Massimiliano Assante

Status:	Closed	Start date:	Oct 11, 2017
Priority:	High	Due date:	Oct 13, 2017
Assignee:	Panagiota Koltsida	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	D4Science Infrastructure Upgrade to 4.7.0		
Infrastructure:	Production		
Description			
If I add a user to a group the email is not formatted well, there is some code going around and no subject is used.			
See attached screenshot			
@mariaantonietta.digirolamo@eng.it how is this didn't come up during testing? Is the (users to group adding/removal) step missing from the functional testing plan?			

History
